About the National Ovarian Coalition

Since 1991, the National Ovarian Cancer Coalition (NOCC) has provided support to thousands of cancer survivors, delivered millions of educational resources, and connected with countless local community partners to raise awareness about ovarian cancer. The NOCC is an influential national advocate for patients, survivors, caregivers, and their families facing an ovarian cancer diagnosis, and remains steadfast in its mission “to save lives through the prevention and cure of ovarian cancer, and to improve the quality of life for survivors and caregivers.” At the NOCC, our teal team leads with our values and unique experiences to provide support and education across all communities, ensuring that every person is empowered to advocate for their health.

Our Vision

We envision a future where no one ever loses their life to ovarian cancer.

About Together In TEAL® - Ending Ovarian Cancer

Together in TEAL® stands as a beacon of hope and action, aiming to spread critical awareness about ovarian cancer throughout the nation. More than a series of Run/Walk events, it's a catalyst for change, providing insight into NOCC's essential work and raising crucial funds to support our nationwide efforts. By joining us, you're not just participating in an event; you're becoming a vital part of a network of supporters and advocates, amplifying our impact against ovarian cancer.

Your Investment Helps Us Save Lives

Our communities span the country encompassing local markets that are essential to the fulfillment of the NOCC's mission. At NOCC, we believe in a 360-degree approach to care. We support patients, survivors, and caregivers wherever they are on their ovarian cancer journey. We believe that everyone should have access to credible, easy-to-understand ovarian cancer information at their fingertips, no matter who they are or where they live. By eliminating these barriers, people can focus on living their best quality of life with an ovarian cancer diagnosis.

Why Should You Partner?

As a proud partner of the NOCC, your company will have a profound impact on a critical health issue that devastates the entire family. Your brand will be recognized as a leader in the battle against ovarian cancer and will be associated with an initiative that is gaining visibility, both locally and nationally.

It is our goal to underwrite expenses through both monetary and in-kind contributions. This ensures that more funds can support the battle against ovarian cancer by providing maximum return on the dollars raised by our community to support our mission and programs.

Monetary Sponsorship

Monetary sponsorships help cover costs of producing the event and translate into more event revenue used to fund local and national programs and initiatives. Benefits vary depending on financial commitment level, but all partners reach a broad audience of individuals committed to this cause.

In-Kind Opportunities

Our goal is to underwrite event expenses as much as possible through in-kind contributions of products and services. Whether it is a gift card or food for our walkers, we rely on in-kind donations to enhance our Together in Teal event series. This helps ensure funds raised will support our battle against ovarian cancer.

Benefits of in-kind opportunities are based on fair market value and align with the corporate sponsor levels.

Examples of In-Kind Contributions Needed:

Pre-Event Needs

- Advertising & Media
- Printing and Copying
- Signage/Banner Production
- Office Supplies
- Moving & Transportation Services

Event Day Needs

- Audio/Visual Services
- Survivor Gifts
- Food & Beverage
- Sound Systems
- Rental Services (Tents, Tables, Chairs, Staging, Etc.)
- Bottled Water

- Portable Toilets
- Dumpster/Trash Collection
- Entertainment
- Gifts/Prizes
- Security
- Walkie Talkies

SPECIALTY SPONSORSHIP OPPORTUNITIES

Specialty Partnership Opportunities

A specialty partnership package allows your message to be targeted to a specific group of participants while underwriting a portion of event festivities. With a specialty sponsorship, your company would be proudly recognized on signage at the corresponding tent or at the packet pick up and on social media, with the opportunity to provide company volunteers for personalized community engagement.

PACKET PICKUP SPONSOR - \$2,500

Serve as our annual Packet Pickup Sponsor! Interested team captains and survivors are offered this early opportunity to come together to pick up their t-shirts the week before the event. Sponsor will host approx. 4 hour pick up day (on-site at their company/facility or in another centrally located, agreed upon location).

SURVIVOR TENT SPONSOR - \$3,500

Help us celebrate and honor anyone that has been diagnosed with ovarian cancer. Survivors gather in this tent on event day for an opportunity to collect special survivor gifts, celebratory items honoring milestones of survivorship, add to the hand print banner, and build camaraderie with fellow survivors.

EXHIBITOR & VENDOR OPPORTUNITIES ALSO AVAILABLE

For those interested in exhibiting rather than a full sponsorship or for the chance to sell items day-of, we offer limited opportunities to have a presence on-site on event day. Please reach out directly for more information.
