About the National Ovarian Coalition

Since 1991, the National Ovarian Cancer Coalition (NOCC) has provided support to thousands of cancer survivors, delivered millions of educational resources, and connected with countless local community partners to raise awareness about ovarian cancer. The NOCC is an influential national advocate for patients, survivors, caregivers, and their families facing an ovarian cancer diagnosis, and remains steadfast in its mission “to save lives through the prevention and cure of ovarian cancer, and to improve the quality of life for survivors and caregivers.” At the NOCC, our teal team leads with our values and unique experiences to provide support and education across all communities, ensuring that every person is empowered to advocate for their health.

Our Vision

We envision a future where no one ever loses their life to ovarian cancer.

Why Should You Partner?

As a proud partner of the NOCC, your company will have a profound impact on a critical health issue that devastates the entire family. Your brand will be recognized as a leader in the battle against ovarian cancer and will be associated with an initiative that is gaining visibility, both locally and nationally.

It is our goal to underwrite expenses through both monetary and in-kind contributions. This ensures that more funds can support the battle against ovarian cancer by providing maximum return on the dollars raised by our community to support our mission and programs.

Monetary Sponsorship

Monetary sponsorships help cover costs of producing the event and translate into more event revenue used to fund local and national programs and initiatives. Benefits vary depending on financial commitment level, but all partners reach a broad audience of individuals committed to this cause.

In-Kind Opportunities

Our goal is to underwrite event expenses as much as possible through in-kind contributions of products and services. Whether it is a gift card or food for our walkers, we rely on in-kind donations to enhance our Together in Teal event series. This helps ensure funds raised will support our battle against ovarian cancer.

Benefits of in-kind opportunities are based on fair market value and align with the corporate sponsor levels.

SPECIALTY SPONSORSHIP OPPORTUNITIES

Specialty Partnership Opportunities

A specialty partnership package allows your message to be targeted to a specific group of participants while underwriting a portion of event festivities. With a specialty sponsorship, your company would be proudly recognized on signage at the corresponding tent, with the opportunity to provide company volunteers for personalized community engagement.

SURVIVOR TENT SPONSOR - \$2000

Help us celebrate and honor anyone that has been diagnosed with ovarian cancer. Survivors have an opportunity to collect event day items, add to the hand print banner, and build camaraderie with fellow survivors.

REGISTRATION TENT SPONSOR - \$2000

This is the first stop that all participants will use to check in and get set for the event day activities - a wonderful way to connect with the community and be seen by all participants.

REFRESHMENT STATION SPONSOR - \$1500

Join us in handing out refreshments and snacks to refuel our participants' energy during the event and after the walk.

FOREVER IN OUR HEARTS SPONSOR - \$1000

Join us in honoring those who attend in remembrance of a loved one. Families bring photos to hang in our memorial tent and write a message to honor those taken from us too soon.

EXHIBITOR OPPORTUNITIES ALSO AVAILABLE

For those interested in exhibiting rather than a full sponsorship, we offer limited opportunities to have a presence on-site on event day. Please reach out directly for more information.
